## Spectra Aged White Oak Plank Luxury Click Vinyl Flooring

A stunning wood-look floor with crisp white tones and a fresh, modern vibe, Spectra Aged White Oak Plank Luxury Click Vinyl Flooring will set off a contemporary or minimalist scheme to perfection. While its low-key grain and minimal colour variation give this hardwearing LVT floor a clean and elegant look, it punches well above its weight when it comes to performance.

Compatible with underfloor heating and fully waterproof, it's suitable for use in demanding spaces such as hallways, kitchens and bathrooms as well as living areas and bedrooms, and comes in classic-size planks (191mm x 1316mm) that are ideal for creating a feeling of spaciousness in small and medium length rooms. An authentic textured surface gives added realism to the oak look as well as a safe, stable feel underfoot.

Quick and easy to install – even for DIYers – thanks to its patented click system, Spectra Aged White Plank Luxury Click Vinyl Flooring is a breeze to maintain: simply vacuum regularly and remove any marks with a cloth or mop dampened with water.
