Spectra Pecan Oak Plank Luxury Rigid Core Click Vinyl Flooring

When it comes to our floors, we should not have to choose between a timeless look everyone is envious of, perfectly on-trend tones that meld with a variety of styles, or functional filled with benefits that enhance our home and our lives. Spectra Pecan Oak Plank packs all of this into one stylish package that performs such a well realised imitation of real wood that you'll be hard pressed to notice the difference – with authentic grain and texture that help elevate the effect of the finished floor alongside the four bevelled edges and the wide planks that reach 1.3m in length. This vinyl floor also comes complete with an attached underlay so that's one less thing for you to think about.

There are also plenty of benefits to be found under the waterproof surface - from the unique polyurethane layer that protects against stains and keeps your floor looking its best, to the AC5 rating and 20-year residential warranty that gives you plenty of peace of mind, to the DIY-friendly click system technology that makes installation easy for everyone.
