Spectra Golden Pine Plank Luxury Rigid Core Click Vinyl Flooring

Exclusive to UK Flooring Direct and available for a limited time only while stocks last, invest in our Spectra Rigid Core Click Vinyl flooring – a floor that truly combines unparalleled design, incredible strength, and high comfort. Complete with a 1mm attached underlay, this floor will save you time on installation whilst saving you purchasing underlay separately. Made with a unique polyurethane layer for incredible protection against unwanted stains and scratches, so your dream floor will stay looking its best for longer. With the unique technology of a built-in lightweight core installation is fast and simple, even for beginner DIYers. Suitable for all residential areas with heavy traffic, this AC5 rated floor comes complete with a 20-year residential warranty for extra peace of mind.

Developed and produced in Belgium, Spectra Golden Pine Plank is a truly unique product. Sharp and beautiful in its design, the natural wood look and feel will add a lasting grace to any room. No matter your personal style, this beautifully versatile floor will work effortlessly, so you can be sure you've found your match. It's proven strength through its engineered core technology mean its suitable for even the busiest of homes.
