Life Classic Oak Plank Luxury Rigid Core Click Vinyl Flooring

Life Classic Oak Plank Luxury Rigid Core Click Vinyl is a durable, easy to install, easy to care for floor that's perfect for even the busiest of homes. Just like the rest of our vinyl range, Rigid Core Vinyl – also known as Stone Plastic Composite (SPC) is 100% waterproof, so it can be installed in all rooms throughout the house, including conservatories (being able to withstand surface temperatures up to 60°C), bathrooms, kitchens, and anywhere with underfloor heating systems up to 27°C.

The rigid limestone core and scratch-resistant top layer have earned this floor an AC5 rating. The natural wood look and feel will add a lasting grace to any room. Long and wide planks (1235mm x 232mm) will add the illusion of space to smaller rooms and be the perfect fit in larger ones.
