## Life Walnut Plank Luxury Rigid Core Click Vinyl Flooring

Life Walnut Plank Luxury Rigid Core Click Vinyl is a durable floor that's perfect for even the busiest of homes. The dark, rich walnut colouring of the long and wide planks (1235mm x 232mm) combines a classic wood floor look with the DIY installation and easy-care practicalities you'll find in luxury vinyl. There's no need to sacrifice practicality for style; the rigid limestone core and scratch-resistant top layer have earned this floor an AC5 rating for its durability.

This 100% waterproof floor can be installed in all rooms, including conservatories (it can withstand surface temperatures up to 60°C!) bathrooms, kitchens, and rooms with underfloor heating systems up to 27°C.
