## Spectra Polar White Stone Tile Luxury Click Vinyl Flooring

Snowy white tones give Spectra Polar White Stone Tile Luxury Click Vinyl Flooring an ultra-modern vibe that makes it fantastic choice for modern minimalist or industrial interior schemes.

With the streamlined, clean appearance of polished concrete, this hardwearing LVT floor features a softly mottled décor layer and authentic textured surface that adds realism to the stone-tile look. Compatible with underfloor heating and fully waterproof, it can be safely used in demanding areas such as kitchens, utility rooms and bathrooms without worry, and comes in fixed-size large (324mm x 655mm) bevel-edged tiles that are hugely versatile and work well in any size of room.

Boasting a 20-year warranty, Spectra Polar White Stone Tile Luxury Click Vinyl Flooring will more than earn its keep in a busy family home and comes with all the practical advantages of quality LVT. It's superbly tough, compatible with underflooring heating, and easy to clean and maintain – just vacuum regularly and wipe off any marks with a damp mop or cloth. Equipped with a patented click system it's also fast and easy to fit, and suitable for DIY as well as professional installation on top of underlay.

### Product Details

|                    |                     |
