## Spectra Steel Stone Tile Luxury Rigid Core Click Vinyl Flooring

Our Spectra Rigid Core Click Vinyl flooring is ideal for anyone wanting to perfectly pair brilliant style with exceptional performance. Made with an incredible polyurethane layer that provides increased protection against unwanted stains and scratches, keeping your dream floor looking its best for longer. The Spectra Rigid Core Vinyl is formed with a built-in light weight core which includes 30% recycled content, guaranteeing zero industrial waste - perfect for those who are a bit more environmentally conscious. Suitable for all residential areas with heavy traffic, this AC3 rated flooring comes equipped with a 12-year warranty for increased peace of mind.

Our Spectra Steel Stone Tile Vinyl brings the authentic feeling of stone tiles into your home, with a quick and easy click installation system and lightweight design. This incredibly contemporary style will effortlessly fit in any room you choose, while providing an additional touch of class to your look. Thanks to its proven strength through the engineered core technology, this vinyl flooring is suitable for the busiest of homes.
