Spectra Comic Stone Tile Luxury Rigid Core Click Vinyl Flooring

In Spectra Comic Stone Tile, you'll find a stone-effect flooring with uses truly natural look and colour to create the real feel of stone in your home. With a timeless grey tone that is a perfect match for almost any room's style and a textured surface that adds to its natural authenticity, this rigid core vinyl flooring is as beautiful as it is practical, with perfectly proportioned 610mm x 303mm tiles that each feature four bevelled edges to accentuate the finished floor's façade.

The benefits do not stop there, especially for avid DIYers looking to install their floor themselves – the click system technology used in every tile makes installation simple and fuss-free. With enhanced reliability through its unique polyurethane layer, this stain and scratch resistant floor can be counted on with its 12-year residential warranty to always look its absolute best for you and make your home feel that much more special to be in.
