Easy to care for with a regular sweep, mop or vacuum this flooring is perfect for an 'on-the-go' household. Also boasting an excellent slip resistance, making it perfectly suitable for bathrooms, kitchens or hallways. This water-resistant vinyl is compatible with underfloor heating systems too, of up to a toasty 27°C, keeping you warm from your head to your toes.

Switch it up with the muted pastel colours of duck egg blue, beautifully complemented with grey and off-white tones. Not only does this pattern work to create the illusion of more space, it also adds incredible depth. With an impressive 3.8mm thickness, this vinyl provides a stable underfoot feel, giving you support as you walk whilst also offering comfort with each step. Suitable for general domestic use, you'll also receive a 10-year wear warranty for your peace of mind.
